

16/3/23

Dear parents/carers,

I have tried to provide some activities for your child to complete at home which are closely linked to some of the content that we would normally be learning in school today.

If it is possible, please support your child in completing these activities. Children also have access to TT Rockstars and Numbots.

Thank you for your understanding,
Mr Marshall

RE Task

We have been learning about the Easter Story in our last two RE lessons.

Can you try to retell the story starting with Jesus arriving in Jerusalem?

Draw a picture for each part of the story that you can remember and write a short sentence to go with it.
