AND ABUSE PARTNERSHIP

WHERE YOU CAN
GET HELP, ADVICE
AND SUPPORT

EAST RIDING
OF YORKSHIRE COUNCIL

WHAT IS DOMESTIC VIOLENCE AND ABUSE?

It can happen to men and women from 16 years and above, and children can be harmed because of it. It can be committed by a partner or ex-partner, or a family member, in an existing or previous relationship.

It can involve a wide range of abusive and controlling behaviour including:

- **PHYSICAL** - beating, kicking, slapping, punching, burning, strangulation, stabbing, denying sleep.
- **EMOTIONAL/PSYCHOLOGICAL** - jealousy, humiliation, degradation, put down, isolation from family and friends, threats of suicide, using your children to inform or report on you.
- **SEXUAL** - rape, enforced sex or prostitution, pornography, or any sexual behaviour or activity which you find unacceptable.
- **VERBAL ABUSE** - name calling, or threats to harm.
- **FINANCIAL CONTROL** - withholding money, always calling you to account for spending.
- **COERCIVE AND CONTROLLING BEHAVIOUR** - isolating you from friends and family, depriving you of basic needs, such as food, monitoring your time and monitoring you via online communication tools or spyware.
- **CONTROL** - a continuing act or a pattern of acts of assault, threats, humiliation and intimidation or other abuse that is used to harm, punish, or frighten their victim.

WHAT TO DO?

If you are preparing to leave there are several things you can do to prepare:

- Keep any useful telephone numbers with you.
- Photocopy and know where important documents are stored and leave a set with someone you trust.
- Open a savings account and make sure no documents are sent to your home address.
- Get an extra set of keys.
- Organise a bag of clothes for yourself and children, including toys and medicines.
- Try to keep some spare change for taxi, bus fares, phone calls.
- Inform somebody that you trust of your plans to leave.

IF I DECIDE TO LEAVE HOME WHAT SHOULD I TAKE WITH ME?

If you are in immediate danger, don't worry about taking anything with you; **just leave and call 999**.

If it is possible to take some possessions, bring with you a key to your home and car, any money, benefit books, legal documents, i.e. passport, birth certificates belonging to you and the bare essentials of clothing and toiletries. Remember to take some toys for the children. Other property can be collected later.

EVERY INDIVIDUAL...

Has the right to live free from fear, intimidation and abuse, especially within their own home.

NO ONE...

Deserves to be abused or should have to accept intolerable behaviour. Domestic abuse is any form of unacceptable personal abuse.
