

SPORTS NEWSLETTER

Autumn Term 1 2023

Hello everyone! I am delighted to be able to bring you our very first sports newsletter here at Sproatley! The aim of this newsletter will be to update you on any upcoming sporting events we may be attending, celebrate some of the PE and sports taking place in school and to inform you of anything new that is happening linked to sport here at Sproatley!

Mr Marshall, PE Leader

Autumn 1 PE - 'Attack, Defend, Shoot'

All classes will be exploring 'Attack, Defend, Shoot' in their PE lessons this half term. Whether that is exploring basic defensive body positions in KS1 or applying decision making skills to games in KS2, all classes will have a focus linked to this half term's theme. Lookout for pictures on Facebook and Twitter of some of the children in action during their PE sessions!

Tigers Trust Partnership

We are looking forward to having Mr Daddy join us again this year, delivering PE and other active activities to all classes in school throughout the year. He will also be running some after-school and lunchtime clubs, as well as providing some comments for future sports newsletters!

Autumn 1 Sporting Events

26/9

Year 5/6 After School Football Cluster Event @ Holderness Academy - 3.45-5.30pm

3/10

Year 3/4/5/6 After School Cross Country @ Holderness Academy - 3.45-5.30pm

Every Friday After School
KS2 Football Club with Mr Daddy

If your children would like more information on attending any of the sports events, please encourage them to speak to Mr Marshall or another member of the teaching and learning team.

Sproatley Achieves Gold School Games Mark

We recently received the School Games Gold Award for the second year running, celebrating the sporting and active success in school. The continued display of the sporting values helped us achieve the award, so well done to everyone who took part in sporting activities, both in school and out of school, this past year!

Celebrating 2022/23 Sporting Achievements

We wanted to acknowledge the hard work and dedication shown by all pupils last academic year. We ended the year with a good spirited and competitive Sports Day, with Heron retaining the house cup once all of the scores were counted.

We also had an increase in participation last year at after school events. Almost 40% of children in Key Stage Two represented the school at one of our inter-school competitions, allowing us to take a diverse selection of children to a range of competitions. Thank you to all parents and carers who assisted with transport to these events and supporting the children throughout. Without your support, we wouldn't be able to compete like we do.
