# 1. INTENT

## Six underlying attributes at the heart of Spratley's curriculum and lessons.

Lessons and units are **knowledge and vocabulary rich** so that pupils build on what they already know to develop powerful knowledge.

Knowledge is coherently **sequenced** and planned so that pupils know more, do more and remember more.

Our curriculum is **ambitious** and inspiring. It gives all our children the opportunity to achieve academically whilst encouraging interests and talents.

Our curriculum serves to **connect**; it addresses the physical, mental, spiritual, cultural and intellectual needs of our children in a meaningful way.

We teach a **diverse** curriculum by committing to diversity; our teachers and teaching ensure that all pupils feel positively represented and included.

Our curriculum is an **inclusive** one which addresses the needs of all pupils so that they can achieve.

**We Encourage, Build & Hope together...no one left behind.**
