

Sproatley Endowed Church of England Academy - Summary Music Development Plan

Music at our school, incorporating the National Curriculum and New National Plan for Music.

Music Lead and Specialist: Mrs. Taylor
HUB Support: East Riding

Our Weekly Music Teaching Offer

We use a condensed scheme of work from Kapow for our music lessons. Music takes place every other half term.

All pupils - attend our 30 minute whole-school music assembly once a week delivered by our Music Lead - Listening and Singing.

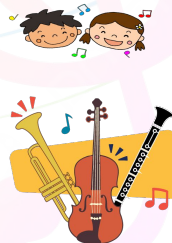

- **EYFS pupils** - receive a 30 minute music lesson based on traditional rhyme and song with lots of opportunities to explore instruments, sing and perform.
- **KS1 pupils** - receive a 60 min music lesson every other half term using a range of untuned percussion plus lots of singing, composing and music games
- **KS2 pupils** - receive a 60 minute music lesson every other half term with our teaching team. Children explore the full range of musical dimensions and have opportunities to play instruments including tuned and untuned percussion. Lower Key Stage 2 complete two half terms of instrumental tuition using recorders.

Our singing assemblies

Singing worship is delivered by our T&L staff, all of our pupils access our weekly 30 minute music assembly with a focus on 'Singing and listening'. Children listen to music from a range of genres, time periods and locations all around the world (adapted from the Model Music Curriculum). We use this as time to come together and sing. We also use the time to help our children prepare for our calendar of performances events.

Playing instruments

All of our children have the option to choose and learn to play an instrument with specialist brass teachers from East Riding Music Service for strings, piano, guitar and wind.

"Every Child is a Music Maker"

We perform throughout the year in school and other venues in the city.

- ★ **Autumn Term:** Harvest Festival, Christingle, Carols performance, nativities.
- ★ **Spring Term:** Easter Service.
- ★ **Summer Term:** Year 6 production and singing.

Class Provision includes:

- Google Music Lab
- Tuned and untuned percussion
