We are pleased to share the news that the Department for Education has now formally approved the merger between Ebor Academy Trust and Nexus Multi Academy Trust. The new Trust will be called Nexus Ebor Schools Trust (NEST), and we are working towards a merger date of September 2027.

The merger brings together Ebor's experience in mainstream primary education with Nexus' expertise in specialist education and SEND, creating opportunities to share expertise, strengthen inclusive practice and provide even better support for children. The aim is to build on what is already strong in our schools while creating new opportunities for the future. We will keep families updated as the final arrangements progress.

There will be no immediate changes to day-to-day school life, and importantly, our school will retain its name, leadership team, uniform and existing governance arrangements.
